Re: Right-to-Know Law Request No. 240534

Dear Ms. Stephens:

On May 15, 2024, the Agency Open Records Officer of the Pennsylvania Department of Agriculture (PDA) received your request for information pursuant to the Pennsylvania Right-To-Know Law, 65 P.S. §§ 67.101, et seq. (RTKL).

Your request and PDA's response are as follows:

Please consider this a formal request under Pennsylvania's Right-to-Know Law, 65 P.S. §67.101 *et seq.*, (hereinafter "RTK") for the following records, which includes records maintained in electronic format.

Request 1: Please provide a copy of all license applications, including those to renew an existing license, along with any required attachments that accompanied the license applications, submitted to the Pennsylvania Department of Agriculture to operate as dealer/hauler of animals for the time period January 1, 2018 through March 31, 2024 by:

Kingdom Livestock Transport LLC
Ephraim Stoltzfus
233 Gunhart Road, Mohnton PA 19540

PDA's Response to Request 1: Your request is granted. Attached to this response you will find the requested information for your review.

Request 2: Additionally, please provide any inspection reports, citations for failing to comply with Title 3 of the Pennsylvania Statutes, and any consent decree(s) for the period January 01, 2020 through March 31, 2024.

PDA's Response to Request 2: PDA may deny your request under the RTKL for the following reasons:

- (1) A record of an agency relating to a criminal investigation, including complaints and complainants, is exempt from disclosure pursuant to Section 67.708 (b)(16) of the Pennsylvania Right-To-Know Law, 65 P.S. §§ 67.101, et seq.
- (2) A record of an agency relating to a noncriminal investigation, including complaints and complainants, is exempt from disclosure pursuant to Section 67.708 (b)(17) of the Pennsylvania Right-To-Know Law, 65 P.S. §§ 67.101, et seq.

However, PDA has determined that in the case of this particular request, the public interest favoring access outweighs any individual, agency or public interest that may favor restriction of access, that disclosure of the records is not prohibited under Federal or State law or regulation or a judicial order or decree and that the records are not protected by a privilege.

Therefore, PDA has decided to exercise its discretion to make any otherwise exempt record accessible, *with redactions*, pursuant to Section 67.506(c) of the Pennsylvania Right-To-Know Law, 65 P.S. §§ 67.101, et seq.

To the extent that records are in the possession, custody or control of PDA, your request is granted in part and denied in part. Attached you will find inspection reports as well as any violation located for your review. PDA has withheld specific information that is exempt from disclosure by law, as follows:

- A record containing all or part of a person's Social Security number; driver's license number; personal financial information; home, cellular or personal telephone numbers; personal e mail addresses; employee number or other confidential personal identification number is exempt pursuant to Section 67.708(b)(6)(i)(A) of the Pennsylvania *Right-To-Know Law* 65 P.S. §§ 67.101, et seq.

No inspection report for 2023 and 2024 to date was found in our database. Therefore, PDA does not have those records in its possession custody or control. Pursuant to the Office of Open Records Final Decision in *Jenkins vs. Pennsylvania Department of State*, Docket # AP 2009-065, it should be noted that: "It is not a denial of access when an agency does not possess records and [there is no] legal obligation to obtain them (see, e.g. section 67.506 (d)(1))."

PDA is permitted to charge up to \$.25 cents per page for requested documents. In accordance with the policy that a fee will not be assessed when records are produced and provided electronically, or for requests of 20 or less pages, no fee is due. A link will be provided to you by separate email giving you access to the responsive records.

If you believe this response is a denial of access to records, you may file an appeal in writing to the Executive Director, Office of Open Records (OOR), 333 Market Street, 16th Floor, Harrisburg, PA 17101-2234. If you choose to file an appeal you must do so within 15 business days of the mailing date of this response.

In order to appeal, you must send to the OOR and simultaneously to me, in the same manner as the appeal is sent to the Office of Open Records (e-mail, fax, mail or hand delivery):

- 1) This response;
- 2) Your request;
- 3) The appeal form that is available on the OOR website at:
<https://www.openrecords.pa.gov/Appeals/AppealForm.cfm>

You must also include on the appeal form the reasons why you think the Agency was wrong in its response to your request and what relief or agency action you are seeking. All of the above must be submitted for your appeal to be valid.

Please let me know if you have any questions related to this response.

Very truly yours,

ANNUAL DEALER HUALER INSPECTION KINGDOM LIVESTOCK:

Originally scheduled for 8/5/2020 Ephraim canceled last minute that morning. Decided to give him allowance for one rescheduled appointment. He complied and we were able to keep our plans and inspection on 8/26/2020.

I, Jennifer Hartlieb PDA DAHI and Lu Ann Kubicar USDA AHT met with Samuel Stoltzfus, office manager Kingdom Livestock.

We conducted a thorough look at all of Kingdom Livestock's records for the past three months (June-August).

The records showing the destination and hauling were well kept however a significant issue on record keeping for the sources of the animals hauled was noted. I issued an NOV for inadequate record keeping.

In addition, it was noted that there was no record of animals hauled and sold to Centinar Farms in NJ. We were made aware of the Kingdom Livestock's business with Centinar Farms from the New Jersey Department of Agriculture. There was no file for Centinar Farms in the records Samuel provided.

We also had documentation provided from Molly Hankey, USDA AHT, that showed untagged animals from Kingdom Livestock that went through New Holland Sale. When asked why they were untagged Samuel didn't have an answer. We asked to see his record book for tagging anything that is untagged prior to moving them and he didn't have records.

I conducted a walk through of the property and barn area prior to Lu Ann arriving. It appeared that at the time of inspection their compost pile was sufficiently covered and that dead animals were disposed of correctly.

I did note on a barn walk through a pen of adult billy goats (approximately 120) that were all not tagged. Samuel responded when questioned that they are too wild to get a hold of and even loading is an issue. They came from Texas. Please refer to picture 1 and picture 2.

There was not enough space on the inspection form to list all of the farms, sale barns, auctions, and live markets they deal with. Please see the list below of businesses and individuals they dealt with between (June-August 2020)

Al Jazera, Amana Foods, Astoria, Biet Almqdias Live market, Black Horse Farm, Brook Meadow Farm, C Hostetter Trucking, Dennis, Dersel LLC, Elbodia, ENA, Fernando Valencia, Halal Live Poultry, Harb Farms, Island Live, Jackson Live Poultry, Jamaica Live Poultry, Jana Food, JR live Poultry, Kamaron Sawar, Live Poultry, Macca Live, Mana Farm, Marra Mountin, Martins Custom Butchering, New Atlantic Halal, New Holland, Noor Live Poultry, One Stop, Philly Live Market,
